

# Snack in the BOX™

## Cleaning & Care Guidelines

To keep your Snack in the Box working and looking shiny and new please follow these simple cleaning guidelines.

Daily cleaning, or after each use:

1. Remove  
lid.

2. dishwasher top  
rack only, or hand  
wash in warm soapy  
water.

3. Let dry completely

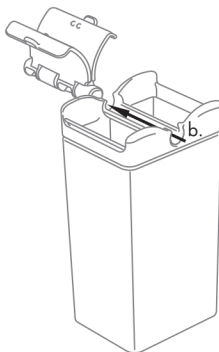

### Deep Cleaning:

Some foods, or sugary snacks may require a deeper cleaning. This is best done by removing the doors, see diagram below, then follow the cleaning instructions.

a. Open both doors to the  
upright position.

b. Push cylinder to  
one side.

Not for use with sterilizers.
